

## **Fast-Draw Mercantile Manual for Posse (Group) System**

Thank you for purchasing the Fast-Draw Mercantile Posse (Group) System, which includes an Electronic Gun Conversion Kit, and a Highwayman Indoor Target. We hope it will bring you many hours of enjoyment, and will help you increase your proficiency in the activity of Cowboy Fast Draw, whether you are a member of Cowboy Fast Draw Association, or World Fast Draw Association, or just an individual who wants to practice for you own enjoyment. This system was designed allow you to practice or hold Cowboy Fast Draw contests indoors without the noise or the smoke and odor of spent primers.

Please familiarize yourself with the different component of this system.

Electronic Gun Conversion Kit

Please see Fast-Draw Mercantile Manual for Electronic Conversion Kit

Fast-Draw Timer

Please see Fast-Draw Mercantile Manual for Fast-Draw Timer

Highwayman Indoor Target

Ethernet Cable

The **Fast-Draw Mercantile (Posse) System** contains the Highwayman target (an infrared signal detector), and the stage/draw indicators (are discreet RED LEDs) in a single enclosure.

The **Fast-Draw Mercantile** Highwayman Indoor Target unit should be placed on a shelf, or hung on a wall with the electronic signal detector placed at about 42 to 44 inches off the floor. This dimension conforms to the target center heights of most fast draw originations.

If you place your **Fast-Draw Mercantile** Highwayman Indoor Target on a shelf, be sure that the face of the Target/Timer is vertical, and is not canted up or down. This will cause an error in signal detection, because the case of the Target has 5° of taper on the front and back case halves.

The **Fast-Draw Mercantile** Timer connects the hand held display/control unit to the **Fast-Draw Mercantile** Highwayman Indoor Target, using an Ethernet cable between the display control unit and the target.

### WARRANTY

**Equu-Pulse Company/Spencer Instrumentation, Inc.** warrants the SAA Electronic Conversion Kit, with our Indoor Target/Timer to be free from defective materials and workmanship for the life of the Product.

All items returned to **Equu-Pulse Company/Spencer Instrumentation, Inc.** that have been subject to abuse, misuse damage or accident, have been connected, installed or adjusted contrary to the instructions furnished by this manual or repaired by unauthorized persons will not be covered by this warranty.

**Equu-Pulse Company/Spencer Instrumentation, Inc.** reserves the right to discontinue models; change specifications, price or design of their devices at any time without notice and without incurring any obligation whatsoever.

The purchaser agrees to assume all liabilities for any damages and/or bodily injury which may result from the use or misuse of this device by the purchaser, or his agents.

**Equu-Pulse Company/Spencer Instrumentation, Inc.** shall not be liable in any way for the consequential damage resulting from the use or misuse of this device.

**Equu-Pulse Company/Spencer Instrumentation, Inc.** makes no warranty whether expressed, or implied as to the merchantability and fitness for a particular purpose of this product.

This warranty is lieu of all other warranties, expressed or implied, and of all other obligations or liabilities on the part of **Equu-Pulse Company/Spencer Instrumentation, Inc.** No person or corporation is authorized to modify this warranty or to assume any liability on behalf of **Equu-Pulse Company/Spencer Instrumentation, Inc.**

Items not covered under warranty expressed by **Equu-Pulse Company/Spencer Instrumentation, Inc.** are batteries, or damage from battery leakage.
